

Superintendent Search

Nov. 27, 2018

As we enter December the AC and GC School Boards' Superintendent Search ramps up significantly. Beginning in late October, with the partnership of Grundmeyer Leader Services, we posted the AC/GC Shared Superintendent position to begin collection of applications from candidates for the open position. The collection of those applications ended on November 29th, 2018 and now the real fun begins!

On December 5th, our boards will hold a joint closed session to review the candidate pool. Grundmeyer Leader Services will guide us through each candidate's application, providing feedback, items to consider within the applications, and ultimately, matching up those candidates with what our community members deemed most important based on their survey responses which was conducted Oct. 24th through Nov. 7th. The outcome of this meeting will provide us with candidates that we wish to move forward further into the selection process.

On December 19th, our boards will meet once again in closed session to begin trimming down the candidate pool even further as we will screen each of those candidates with a 25-30 minute video interview. The goal of this session will be to have our finalists selected which will bring us closer to having our selection made on the new Superintendent who will be taking over for Steve Smith.
